## 2020 中国商协会大会的使命

中国社会组织在疫后为各行业的全产业链复苏与重塑、为中国经济的稳定与发展承担着新的历史使命。

中国社会组织的管理与服务与中国中小企业、民族商业的生存息息相关，对产业链条的上、中、下游各环节都有着巨大的影响力，在稳定和优化产业链、促进产业协同发展、形成并完善生态圈等方面发挥着独有的作用。

通过中国社会组织的力量促进产业发展是当前落实六稳六保工作的重要方式之一。中国商协会大会将分享疫后国际国内商会、学会、协会、基金会等社会组织在生存、运营、创新方面的经验，再造中国社会组织发展新动能，促进中国社会组织之间的跨界合作。资源整合，激发活力，为促进全国经济发展和全球经济复苏而努力。

中国商协会大会是社团管理人员发声的专业平台，它将聚集国内外社团的力量，使中国成为全球关注的焦点。中国在全球是最有效实施安全防护措施的国家，在疫后所有行业的复工复产过程中，中国走在前列并发挥着灯塔指引的作用，我们有责任向全球推广中国实践，共享中国经验。

让我们共同探讨中国社会组织在新常态下的发展趋势，共同分享中国社会组织管理与运营的创新实践。

## Mission of 2020 China Congress of Association and Chamber of Commerce

After the COVID-19, Chinese social organizations have undertaken new historical missions for the recovery and reshaping of the entire industrial chain of various industries and for the stability and development of China's economy.

The management and services of Chinese social organizations are closely related to the survival of small and medium-sized enterprises and national businesses. They have a huge influence on the upstream, midstream and downstream links of the industry chain. They have a unique function in stabilizing and optimizing the industrial chain, promoting the coordinated development of the industry, as well as forming and improving the ecosystem.

Promoting industrial development through the power of Chinese social organizations is one of the most important ways to implement the work of the "Six Stability and Six Guarantees". The China Congress of Association and Chamber of Commerce(CCACC) will help to share the experience of international and domestic chambers of commerce, societies, associations, foundations and other social organizations, especially about their experience in survival, operation, and innovation after the epidemic, recreating new momentum for the development of Chinese social organizations, and promoting cross-border cooperation between Chinese social organizations. Integrate resources, stimulate vitality, and work hard to promote national economic development and global economic recovery.

CCACC is a professional platform for the administrators of Chinese social organizations, whose voice will be heard in the international community. It will gather the strength of domestic and foreign social organizations and make China the focus of global attention. China is the most effective country in the world to implement safety and epidemic prevention measures. In the process of resuming work and production in all industries after the epidemic, China is at the forefront and playing the role of a beacon. We have the responsibility to promote China's practice and share China's experience globally.

Let us discuss the development trend of Chinese social organizations under the new normal and share the innovative practices of Chinese social organization management and operation.

## 关于大会

2020年初，一场突如其来的疫情肆虐全国甚至全球。各行各业都受到了不同程度的影响。尤其是对于已经脱钩的协会来说，如何在疫情如此严重的时期可以存活并且可以起到自身的作用，带动会员企业走出低谷、恢复生产，相信是很多协会面临的问题。因此，作为协会的交流平台，中国商协会大会会继续推进，但是会议形式改为线上会议。大会初步订在9月2-3日。此次大会会议为国际大会及会议协会和国际专业会议组织者协会支持的会议。由中国国际商会商业行业商会商务会展联盟、博悦咨询（北京）有限公司承办。

## ABOUT CONGRESS

In early 2020, a sudden outbreak hit the country and the world. All kinds of industries have been affected to varying degrees. Especially for the associations that have been decoupled, it is believed that many associations are faced with the problem of how to survive such a severe epidemic period and play their own role in driving member enterprises out of the trough and back to production. Therefore, as the communication platform of the association, the China Congress of Association and Chamber of Commerce will continue to be held, but the meeting format will be changed to online conference. The conference is tentatively scheduled on September 2& 3. This congress will be supported by ICCA and IAPCO, and undertaken by China Business Event Federation under the CCOIC Commercial Chamber of Commerce and IME Consulting Co., Ltd.
